Dear Sir:

We have made an examination of the March 1970 voucher account submitted under Air Force disbursing symbol 5952 by Major F.K. Tuck. Our review was made at the Air Force Accounting and Finance Center and consisted of a detailed examination of vouchers selected through the use of generally accepted statistical methods.

We examined 55 of the 332 disbursing vouchers and 49 of the 300 collection vouchers submitted for March 1970.

We are pleased to report that the review showed no errors or deficiencies. You were previously advised in our letter report of November 24, 1967 that the audit of the June 1967 vouchers did not disclose any errors or deficiencies.

Sincerely yours,

S. D. McElyea
