Dear Sir

An audit of travel and commercial vouchers submitted by the accounting and finance office at your installation for the period October 1, 1969 through June 30, 1970 disclosed no errors in the samples examined.

By letter dated September 3, 1969, covering the period April 1 through December 31, 1968, we reported that four errors were found on military pay vouchers. We note that these were errors in temporary lodging allowance payments. No payments of this type were submitted for the period ending June 30, 1970.

Sincerely yours,

  
S. D. McElyea
