Dear Sir:

Our audit of the travel, commercial, and military pay vouchers submitted by the accounting and finance office at Rhein-Main Air Base for the period October 1, 1969 through June 30, 1970 disclosed no errors in the samples examined. AGC01427

By letter dated September 18, 1969, we reported that the audit of vouchers for the period April 1 through December 31, 1968 disclosed error rates of 1.1 for travel vouchers and 2.7 for military pay vouchers. It appears that the accuracy of payments has improved on travel and military pay vouchers.

Since this audit included payments from October 1, 1969 through June 30, 1970, the findings may not be indicative of current operations.

Sincerely yours,

S. D. McElyea
