Attention: AC

Dear Sir:

Reference is made to your letter of April 1, 1971, commenting on our letter of March 18, 1971, reporting the results of audit of military pay records and vouchers submitted by the accounting and finance office at Dover Air Force Base for the period October 1, 1969, through June 30, 1970.

In our letter of March 18, 1971, we identified 18 errors of various kinds including one error involving an apparent wrong rate of per diem on voucher No. T-21112. In your reply, you state the reason why you consider that payment was valid.

We have reexamined voucher No. T-21112 in the light of the explanation furnished and agree that the member was correctly paid. Accordingly, we have adjusted our record of audit to remove this case as an error.

We appreciate the interest displayed in our report of audit.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "S. D. McElyea".
