Dear Sir:

Our audit of travel, commercial, and military pay vouchers submitted by the accounting and finance office at your installation for the period October 1, 1969, through June 30, 1970, disclosed no errors in the samples examined.

By letter dated August 26, 1969, we reported that the audit of vouchers for the period April 1 through December 31, 1968, disclosed an error rate of 1.4 for travel vouchers and no errors for commercial and military pay vouchers. It appears that the accuracy of payments has improved on travel vouchers.

Since this audit included payments from October 1, 1969, through June 30, 1970, the findings may not be indicative of current operations.

Sincerely yours,

For S. D. McElyea
