Dear Sir:

We have reviewed temporary lodging and other allowances in the accounts of the accounting and finance officer at Misawa Air Base.

Our review of the temporary lodging allowance (TLA) vouchers was limited to those members who received final incoming payments in March 1975. The other allowances were reviewed by comparing the information on the TLA vouchers to the members' monthly Leave and Earnings Statements (LES) for the comparable period to determine whether those allowances were properly paid.

Our review involved 15 members paid on 15 vouchers and included a comparison of 30 LES. We are pleased to report that we found no errors.

Sincerely yours,

Irwin M. D'Addario
