To the President of the Senate and the
Speaker of the House of Representatives

On March 9, 1983, the President's sixth special message for fiscal year 1983 was transmitted to the Congress pursuant to the Impoundment Control Act of 1974. The special message proposes one new deferral of budget authority totalling \$50,000,000 and a revision to a previously reported deferral which increases the amount deferred by \$1,498,389. Our report follows.

DEPARTMENT OF ENERGY

D83-70 Atomic Energy Defense Activities
Atomic Energy Defense Activities:
Plant and Capital Equipment
Amount deferred: \$50,000,000
89X0221

DEPARTMENT OF THE TREASURY

D83-16B Office of Revenue Sharing
State and Local Government Fiscal
Assistance Trust Fund
Amount deferred: \$15,943,988
20X8111

We have reviewed the sixth special message. We have identified no additional information that would be useful to the Congress in its consideration of the President's proposals and we believe that the proposed deferrals are in accordance with existing authority.
