Dear Mr. Bailey:

We recently completed a limited survey of on-the-job training (OJT) and Job Opportunities in the Business Sector (JOBS) activities carried out by the Manpower Administration under the Manpower Development and Training Act of 1962, as amended, in the Dallas and Fort Worth areas. The survey was made at (1) the Regional Manpower Administration offices in Dallas, Texas; (2) the Texas Employment Commission offices in the Dallas and Fort Worth areas; (3) National Alliance of Businessmen office in Dallas; and (4) at various participating businesses in the Dallas area.

This is to advise you that on the basis of our survey findings and a shifting of audit priorities within our office, we do not intend to examine further into the OJT and JOBS activities in Texas at this time.

We wish to acknowledge the cooperation given our representatives during the review.

Copies of this letter are being sent to The Honorable Arnold R. Weber, Assistant Secretary for Manpower, and The Honorable Leo R. Werts, Assistant Secretary for Administration, Department of Labor.

Sincerely yours,

W. H. Sheley, Jr.
