

Comptroller General  
of the United States

Washington, D.C. 20548

B-255338.3

November 16, 1993

The President of the Senate and the  
Speaker of the House of Representatives

On October 13, 1991, the President submitted to the Congress his first special impoundment message for fiscal year 1994. The message reports eight deferrals of budget authority. We have reviewed these deferrals and found them to be in accordance with the Impoundment Control Act, 2 U.S.C. § 681, et seq., as amended.

Enclosure I provides specific information with regard to three of the deferrals which we believe will be useful to the Congress in its examination of the messages. Enclosure II provides a list of the deferrals as reported by the President.
